Applicant Profile

AVAILABILITY

Tender Hearts Senior Care offers a flexible work schedule. What this means is you define the days and hours of day you are available to work. You will then be scheduled with Clients within your availability on file. Schedule changes within the availability on file will happen as our client's needs change. This is different from working a set shift schedule as in a factory or store. While every effort will be made to keep your schedule as consistent as possible your schedule will change sometimes within your availability as the needs of our client's and team change.

Tender Hearts Senior Care provides in-home care services 24 hours a day 365 days a year and we employ both part time and full time caregivers who work the hours they requested on file. Please be as specific as possible in letting us know when you are available to work and the hours per week you are looking to work.

Tender Hearts Senior Care provides services for Sheboygan County. Employees are paid for travel time when traveling between client's locations for all shifts scheduled that day.

Your employment status will be determined by your availability and the hours you are requesting to work each week. To be eligible for certain employee benefits working 2 weekends a month is required.
